Concrete Services

October 8, 2025 – December 10,
2025

Matana Banks
Executive Director
Hampton Housing Authority
20 College Street
Hampton, Georgia 30228
(770) 946-4039

Request for Proposals

The Hampton Housing Authority (HHA) invites proposals from contractors and individuals for the concrete services at its property located 20 College Street, Hampton, GA, 30228. The work consists of varied installations at each property as defined in the Proposal Package.

Written Proposals will be received by mail or delivery until 12:00 P.M. on December 10, 2025. One original and two copies of the proposal are required to be submitted addressed to:

Matana Banks, Executive Director
Hampton Housing Authority
20 College Street
Hampton, GA 30228
RE: CONCRETE SERVICES PROPOSAL

Any proposals received after that time will not be accepted.

A proposal package will be available for pick-up at, 20 College Street, Hampton, GA during regular business hours or downloaded from www.hamptonha.org under Notices tab, Venders/Employment button. HHA regular business hours are Monday and Thursday between the hours of 8:00 a.m. and 5:00 pm and Wednesday 8am-12pm.

NOTE: ALL CONTRACTORS ARE RESPONSIBLE PROVIDING ALL NECESSARY TOOLS, EQUIPMENT, LABOR AND OTHER RESOURCES AS NEEDED. SITE VISITS WILL BE HELD UPON REQUEST.

Contractors must provide proof of general liability and workers' compensation insurance. HHA expects to award the contract to the lowest (priced) responsive proposal.

Should you have any questions, or require more information, please call 770-946-4039.

Matana Banks
Executive Director

Submission of Proposals

Proposals should clearly communicate the capabilities and experience of the firm or individual.

One original and two copies of the proposal package are required to be submitted to the following no later than 12:00 P.M. on December 10, 2025.

Matana Banks, Executive Director
Hampton Housing Authority
20 College Street
Hampton, GA 30228

Proposals should be clearly marked CONCRETE SERVICES PROPOSAL

Determination of Responsiveness

All proposals will be evaluated, and each will be determined responsive to the RFP based upon:

Firm Experience and Financial Capacity

The firms should provide evidence of the financial capacity to provide the services in accordance with the Statement of work and the time period for the job as defined herein.

Capacity to Complete Work

Contractors must provide information sufficient to demonstrate the necessary workforce to complete the work in a timely manner. Contractor must have the necessary production, construction, and technical equipment and facilities, or the ability to obtain them; and,

Be otherwise qualified and eligible to receive an award under applicable laws and regulations, including not be suspended, debarred or under a HUD-imposed LDP

Quality of References

Contractors must provide a minimum of three (3) references where the work was similar in nature, size and scope including a contact name, address, telephone number, fax number and a date the work was completed.

Insurance Requirement

Any contractor considered for this work must have current active insurance coverage in force with the ability to name the Authority as “additionally insured” upon award of the contract. Failure to provide proof of in-force insurance will result in the proposal being considered non-responsive. Minimum coverage required is as follows:

Description of Coverage

General Liability
Compensation

Minimum Coverage

\$1,000.000/Occurrence Workers’
\$500,000/Accident

STATEMENT OF WORK

Installation of Concrete Services

Work Location:

One development located at one site – 20 College Street Property, Hampton, GA, 30228. Only one site will require Concrete Services

Minimum Requirements

1. The Contractor shall possess and maintain a current business license.
2. The Contractor is required to have a minimum of three (3) years in business performing Concrete services.

General Work Requirements:

1. The Contractor must comply with the U.S. Department of Housing and Urban Development wage determination and General Conditions for Non-Construction Contracts with Maintenance Work.
2. The Contractor is responsible for maintaining the work site at all times and must provide for the safety of residents, visitors, and property.
3. The sites shall be maintained free of debris or trash at all times and all tools, equipment, materials, and refuse must be removed at the end of each work day. Contractor must ensure that access to units or unit parking is not blocked.
4. The Contractor is responsible for the repair of any damage to the Authority's grounds or property, including cosmetic damage. This includes replacement of grass or shrubbery, removal of debris or damage to any Authority or tenant property.
5. Work on the site shall not begin prior to 7:00 a.m. and shall end before 6:00 p.m., Monday through Friday.
6. The Contractor shall maintain the safety of the worksite. All tools, equipment, and materials must be removed and secured each day to prevent theft and avoid injury to residents and visitors.
7. The Contractor shall submit requests for payment at time of all work completed. The pay request will be processed and paid, if applicable, within 10 calendar days.

8. All contractors will be required to provide related Section 3 reporting to the Authority related to subcontracts and employees hired as a result of the Authority contract. The Contractor shall make a good faith effort to employ one resident of the Authority or other low-income person who is a recipient of Federal housing assistance.
9. The Contractor shall not perform these services more than twice in any year without prior authorization from the Authority Executive Director. (How often will work be performed)
10. The Contractor shall acknowledge that it is an independent contractor and not an employee of the Authority. The Contractor shall indemnify and hold the Authority harmless from any and all claims or threats of claim from any person or entity arising out of the actions (or inactions) of the Contractor. The contractor shall not utilize any of the agency's equipment without prior authorization from the Authority Executive Director.

The Hampton Housing Authority is soliciting request for proposal (RFP's) from experienced contractors with proven experience, resources, and professional expertise to provide concrete services, at the 20 College Street location. Must Provide comprehensive concrete services for HHA during both regular business hours and emergency afterhours providing all necessary tools, equipment, labor and other resources as needed.

The scope of work will include, but is not limited to:

- Conduct a site evaluation to determine optimal placement and number of parking spaces (minimum 2, maximum 4), taking into account local code and drainage.
- Prepare the site, including demolition, grading, excavation, and compaction if necessary.
- Provide and install appropriate base material and pour concrete per local code and industry standards.
- Ensure parking spaces meet standard dimensions and Americans with Disabilities Act (ADA) requirements (if applicable).
- Apply any required striping, curbs, or bumpers.
- Ensure water runoff complies with local regulations.
- Restore surrounding landscape disturbed during construction.
- Provide all necessary permits and inspections.
- Follow all HUD, federal, state, and local compliance requirements.

The intent of this contract is for services to be provided in a timely manner for projects that need prompt response or to assist HHA in maximizing its efficiencies on executing and completing projects. All service requests are expected to be responded to within two (2) business days, except cases in which work is declared an emergency. Response time for emergency service requests is expected to be within two (2) hours. It is the responsibility of HHA to declare any request as an emergency. The selected contractor(s) shall furnish all expertise, labor and resources in

accordance with the requirements of HHA and shall provide complete services necessary for the Work Order(s) issued during the contract. HHA may or may not utilize these services or a portion of the services during the term of the contract. HHA is under no obligation to fully expend the contract amount with the selected Contractor. HHA reserves the right to select more than one contractor at its own discretion. HHA shall pay invoices within 30 days of receipt from the Contractor.

TABLE 5.1 MANDATORY CONTRACT CLAUSES FOR SMALL PURCHASES OTHER THAN CONSTRUCTION

The following contract clauses are required in contracts pursuant to 24 CFR 85.36(i) and Section

Contractor's Qualification Statement For

6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. HUD is permitted to require changes, remedies, changed conditions, access and records retention, suspension of work, and other clauses approved by the Office of Federal Procurement Policy. The PHA and contractor is also subject to other Federal laws including the U.S. Housing

Act of 1937, as amended, Federal regulations, and state law and regulations. Examination and Retention of Contractor's Records. The PHA, HUD, or Comptroller General of the United States, or any of their duly authorized representatives shall, until three years after final payment under this contract, have access to and the right to examine any of the Contractor's directly pertinent books, documents, papers, or other records involving transactions related to this contract for the purpose of making audit, examination, excerpts, and transcriptions. Right in Data and Patent Rights (Ownership and Proprietary Interest). The PHA shall have exclusive ownership of, all proprietary interest in, and the right to full and exclusive possession of all information, materials, and documents discovered or produced by Contractor pursuant to the terms of this Contract, including, but not limited to, reports, memoranda or letters concerning the research and reporting tasks of the Contract. Energy Efficiency. The Contractor shall comply with all mandatory standards and policies relating to energy efficiency which are contained in the energy conservation plan issued in compliance with the Energy Policy and Conservation Act (Pub.L. 94163) for the State in which the work under this contract is performed. Procurement of Recovered Materials (a) In accordance with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act, the Contractor shall procure items designated in guidelines of the

Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition. The Contractor shall procure items designated in the EPA guidelines that contain the highest percentage of recovered materials practicable unless the Contractor determines that such items: (1) are not reasonably available in a reasonable period of time; (2) fail to meet reasonable performance standards, which shall be determined on the basis of the guidelines of the National Institute of Standards and Technology, if applicable to the item; or (3) are only available at an unreasonable price. (b) Paragraph (a) of this clause shall apply to items purchased under this contract where: (1) the Contractor purchases in excess of \$10,000 of the item under this contract; or (2) during the preceding Federal fiscal year, the Contractor: (i) purchased any amount of the items for use under a contract that was funded with Federal appropriations and was with a Federal agency or a State agency or agency of a political subdivision of a State; and (ii) purchased a total of in excess of \$10,000 of the item both under and outside that contract. Termination for Cause and for Convenience (contracts of \$10,000 or more). (a) The PHA may terminate this contract in whole, or from time to time in part, for the PHA's convenience or the failure of the Contractor to fulfill the contract obligations (cause/default). The PHA shall terminate by delivering to the Contractor a written Notice of Termination specifying the nature, extent, and effective date of the termination. Upon receipt of the notice, the Contractor shall: (1) immediately discontinue all services affected (unless the notice directs otherwise), and (2) deliver to the PHA all information, reports, papers, and other materials accumulated or generated in performing the contract, whether completed or in process. (b) If the termination is for the convenience of the PHA, the PHA shall be liable only for payment for services rendered before the effective date of the termination. (c) If the termination is due to the failure of the Contractor to fulfill its obligations under the contract (cause/default), the PHA may (1) require the Contractor to deliver to it, in the manner and to the extent directed by the PHA, any work described in the Notice of Termination; (2) take over the work and prosecute the same to completion by contract or otherwise, and the Contractor shall be liable for any additional cost incurred by the PHA; and (3) withhold any payments to the

Contractor, for the purpose of set-off or partial payment, as the case may be, of amounts owned by the PHA by the Contractor. In the event of termination for cause/default, the PHA shall be liable to the Contractor for reasonable costs incurred by the Contractor before the effective date of the termination. Any dispute shall be decided by the Contracting Officer.
